

COLUMBUS TECH
Graduation Ceremony

December 12, 2023

Columbus Civic Center | Columbus, Georgia

Program Speaker

Carvel Lewis

Funeral Director, Lewis Mortuary

Carvel Lewis is the licensed embalmer and funeral director for Lewis Mortuary, his family's business in Fort Gaines, GA and manages the second location in Georgetown, GA. He currently serves as Chairman of the Georgetown-Quitman County Board of Commissioners and the Quitman County Library Board. He has previously served on Quitman County Planning and Zoning Board and as Chairman of the Quitman County Water and Sewerage Authority.

In 2015, he was appointed by Governor Deal to the Middle Chattahoochee Water Council. Also, in 2018 President Donald Trump appointed him to the U.S. Environmental Protection Agency's Local Government Advisory Committee and EPA's Small Communities Advisory Subcommittee. Lewis is also a member of Board of Managers for ACCG (Association of County Commissioners of Georgia) representing Georgia's consolidated governments.

Locally, Lewis is a member of the Quitman County Rotary Club and the local PTA, President of the Quitman County Civic League, and serves as a Steward, Trustee, Sunday School teacher and Director of Christian Education for St. Stephen AME Church in Georgetown.

He is a graduate of Hampton University in Hampton, VA with an undergraduate degree in Biology and an associate degree in funeral service from Gupton Jones College of Funeral Service in Decatur, GA. Lewis has served for over 20 years on the National Hampton Alumni Association, Inc. Board, chairing various boards and serving as Southeast Region President and National Vice President for the Eastern Regions. He is a member of Phi Beta Sigma Fraternity, Inc. and the single father of one son, and they reside in Georgetown.

Columbus Technical College

History

Columbus Area Vocational-Technical School opened its doors on December 1, 1961 as a unit of the Muscogee County School District. At the time the school offered eight programs, employed seven instructors, and enrolled just 39 students. As the school continued to grow and prosper, it received its formal accreditation status from the Southern Association of Colleges and Schools (SACS) on December 12, 1972. In 1985, the school was renamed Columbus Technical Institute and became part of a state-wide network of technical schools. With the passage of the Education Reform Act, House Bill 1187, in May of 2000, Columbus Technical Institute was renamed Columbus Technical College.

The College has continued to experience smart progression and expansion in its 50+ years of existence. What was once a drive-in movie theater is now Carl Patrick Hall; it was named after the College's first significant financial benefactor in 1996, the college built a spectacular library building and in October of 2010, the ribbon was cut on the region's premier healthcare learning environment, the Robert L. Wright, Jr. Health Sciences Center. Columbus Technical College now has 50 acres of campus property and an average annual enrollment of over more than 5,200 students.

Honors

Columbus Technical College honor graduates are distinguished by the wearing of a gold cord with academic regalia. The wearing of a gold cord reflects the cumulative grade point average of 3.80 or higher for graduates. National Technical Honor Society honorees are distinguished by the wearing of the white stole.

Academic Regalia and Awards

Present-day academic regalia, consisting of a cap, gown, and hood, seemingly originated at Oxford and Cambridge universities in the 1300s where students and teachers organized themselves into guilds. The blue stole represents the most recently awarded degree attained at Columbus Technical College. Focusing on its mission to foster economic growth and development and to enhance the quality of life for citizens in this region, the College currently awards 37 associate degrees, 35 diplomas, and 134 technical certificates of credit.

Technical College System of Georgia

The Technical College System of Georgia and its constituent Technical Colleges do not discriminate on the basis of race, color, creed, national or ethnic origin, sex, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, a veteran of the Vietnam Era, spouse of a military member, or citizenship status (except in those special circumstances permitted or mandated by law). This nondiscrimination policy encompasses the operation of all technical college-administered programs, programs financed by the federal government including any Workforce Innovation and Opportunity Act (WIOA) Title I financed programs, educational programs, and activities, including admissions, scholarships and loans, student life, and athletics. It also encompasses the recruitment and employment of personnel and contracting for goods and services.

The Technical College System and Technical Colleges shall promote the realization of equal opportunity through a positive continuing program of specific practices designed to ensure the full realization of equal opportunity. The following person has been designated to handle inquiries regarding the non-discrimination policies: Henry Gross, Director of Human Resources and Title IX Coordinator, at 706-649-1883 or hgross@columbustech.edu or Olive Vidal-Kendall, Director of Disability and Special Services and Section 504 Coordinator at 706-649-1442 or ovidal-kendall@columbustech.edu. The mailing address for both contacts is 928 Manchester Expressway, Columbus, GA 31904.
