## PROGRAM OVERVIEW

The Accounting program prepares students for careers in the accounting profession. Learning opportunities develop academic, technical, and professional knowledge and skills required for job acquisition, retention, and advancement. Areas covered in this program include maintaining a set of books for business entities, account classifications, subsidiary record accounting, corporate accounting, cost accounting, payroll, computerized accounting, spreadsheet and database fundamentals, tax preparation, and word processing. The program emphasizes a combination of accounting theory and practical application necessary for successful employment using both manual and computerized accounting systems..

Degree program is sixty-three (63) credit hours.

Diploma program is forty-two (42) credit hours.

Columbus Technical College is accredited by the Southern Association of Colleges and Schools Commission on Colleges.

# 43k

## EARNING POTENTIAL

\*MEDIAN SALARY IN GA
