PROGRAM OVERVIEW

The Paramedicine program prepares students to provide advanced medical care of the sick and injured. EMTs and Paramedics function as a comprehensive part of public safety. Under medical oversight EMTs and Paramedics can perform basic and advanced medical interventions, utilizing equipment and skills needed in the pre-hospital and hospital patient care setting.

ASSOCIATES DEGREE

Paramedicine

Program length is seventy (70) credit hours

DIPLOMAS

EMS Professions (EMT to AEMT)

Program length is forty-two (42) credit hours

Paramedicine

Program length is fifty-eight (58) credit hours

TECHNICAL CERTIFICATES OF CREDIT

Emergency Medical Technician (EMT)
