PROGRAM OVERVIEW

CTC's Funeral Service Education program will educate students in every phase of funeral service so that graduates are prepared for entry-level employment in funeral service. This degree program is accredited by the American Board of Funeral Service Education (ABFSE), 992 Mantua Pike, Suite 108, Woodbury Heights, NJ 08097, Phone 816.233.3747. Web: www.abfse.org

Columbus Technical College is the only public, SACSCOC- accredited institution in the West Georgia/East Alabama region to offer this program.

Besides learning how to perfect one's restorative art and embalming techniques, how to conduct visitations and ceremonies, and learning important laws and safety regulations, students will also understand how to develop and maintain relationships with those who've lost loved ones and how to address their grief-related needs.

Program length is seventy-two (72) credit hours.

Columbus Technical College is accredited by the Southern Association of Colleges and Schools Commission on Colleges.
