PROGRAM OVERVIEW

The Nurse Aide program prepares the student to care for resident/patients in various settings including general medical and surgical hospitals, nursing care facilities, community care facilities for the elderly and home health services. Students who successfully complete the Nurse Aide program may be eligible to sit for the National Nurse Aide Assessment program (NNAAP) which determines competency to become enrolled in the State Nurse Aide Registry.

Program length is thirteen (13) credit hours.

Columbus Technical College is accredited by the Southern Association of Colleges and Schools Commission on Colleges.
