

# PHLEBOTOMY

## TECHNICAL CERTIFICATE OF CREDIT

The Phlebotomy program trains graduates to be critical team members in hospitals, diagnostic laboratories, and blood donor centers. They are responsible for obtaining, processing, and handling specimens while maintaining patient safety and confidentiality.

We're here to help you succeed sooner!

To apply today, visit [www.columbustech.edu](http://www.columbustech.edu).

## PROGRAM OVERVIEW

This program prepares the student to function as an integral member of the laboratory team. Students are taught skills for collection of blood samples from patients by venipuncture as well as transportation of specimens and quality safety measures. After completion of the program the student is eligible to take a national certification examination from American Medical Technologists (AMT) and upon passing is certified as Registered Phlebotomy Technician (RPT).

Program length is twenty-four (24) credit hours.

Columbus Technical College is accredited by the Southern Association of Colleges and Schools Commission on Colleges.
