Degree Works Plan:							
Financial Aid Specialist, please use the Degree Works Plan option. All remaining courses in the student's program should be in the plan, including Learning Support and second major courses . Incomplete Education Plans will not be accepted.							
Student Initials:							
I understand that if my Financial Aid Appeal is approved, my aid will be based on the required courses that are documented in my Academic Plan for my program of study (not applicable for Dual Enrollment).							
If I change my program of study from what is approved on my Academic Plan, I understand that I must get a new Academic Plan from a Financial Aid Specialist before the Tuition and Fee Payment Deadline for the semester. If I register for courses outside of my program, I will pay for the courses without the use of Financial Aid (not applicable for Dual Enrollment).							
I understand that my progress will be evaluated after each semester and I must be adhering to the standards listed on the SAP appeal form I signed in order to continue the academic plan into the next semester.							
I understand that failing to comply with the terms and conditions of this Academic Plan will result in termination of my Financial Aid for subsequent semesters.							
I understand that if my current GPA is below 2.0 GPA and my completion rate is below 66.67%, then I also have additional requirements to meet. I must pass all of my courses and have 2.0 GPA at the end of the term and cannot withdraw from any classes.
