

COLUMBUS TECHNICAL COLLEGE

Federal regulations require colleges to disclose information regarding their occupational programs that require a state licensure to be employed. Reference the program of choice, and view the status that program has for your state of residence at the initial time of enrollment. If the state you are located in does not appear, we cannot guarantee the program if study will be able to lead you to a state occupational licensure in your state.

Programs Leading to Licensure	States in which Program MEETS Licensure Requirements	States in which Program does NOT meet Licensure Requirements	Notes and Additional Links
Advanced Emergency Medical Technician (EMH1)	Georgia, Alabama, South Carolina	Florida, Tennessee	*Not all states have this level of licensure. Students should check with their state EMS agency to ensure this level is available in their home state.
Barbering (BA12)	Georgia		Upon program completion, students have two choices: (1) Students may take the Georgia licensing exam and after receiving licensure apply to the Board in their home state for reciprocity (OR) (2) complete the program in Georgia and submit a written request to the Board of their home state asking permission to take the licensing exam in that state.
Cosmetology (CO12)	Georgia		Upon program completion, students have two choices: (1) Students may take the Georgia licensing exam and after receiving licensure apply to the Board in their home state for reciprocity (OR) (2) complete the program in Georgia and submit a written request to

			the Board of their home state asking permission to take the licensing exam in that state.
